

## 2<sup>nd</sup> Energy Tech Forum

Eugenides Foundation, Athens, November 25, 2017

*Under the auspices of the Institute of Energy for SE Europe (IENE)*

### Programme

#### Saturday November 25, 2017

<b>8.30-9.30</b>	Registration - Coffee
<b>9.30-11.30</b>	<p>1<sup>st</sup> Session (plenary)</p> <p><b>Opening Remarks by Prof. Vasilis Makios</b>, General Manager, Corallia and Mr. Costis Stambolis Managing Director, Energia.gr and Executive Director,</p> <ul style="list-style-type: none"> <li>◆ <b>Prof. Pantelis Capros</b>, Director E3M-Lab, National Technical University of Athens “<b>The role of technologies in the transition to the new global energy environment</b>”</li> <li>◆ <b>Dr. Platon Baltas</b>, General Manager Enfinity Energy, “<b>Electricity storage technologies</b>”</li> <li>◆ <b>Dr. George Ageridis</b>, Director of Division for Energy Efficiency Centre for Renewable Energy Sources and Saving (CRES), “<b>Electric mobility technologies</b>”</li> <li>◆ <b>Mr. Konstantinos Magkaniotis</b>, Member of Hellenic Electricity Distribution Network Operator (HEDNO) 's Network, “<b>Smart grids &amp; electric mobility</b>”</li> <li>◆ <b>Mr. Stefanos Garifallakis</b>, Business Advisor, Eunice Energy Group (EEG), “<b>Technologies currently in use and their utilization in wind energy</b>”</li> <li>◆ <b>Mr. Spyros Kiartzis</b>, Director of Alternative Energy Sources and New technologies, Hellenic Petroleum “<b>Investing in RES technologies</b>”</li> </ul>
<b>11:30-11.45</b>	Coffee Break
<b>11.45-13.30</b>	<ul style="list-style-type: none"> <li>◆ <b>Ms. Myrsini Christou</b>, Biomass Department, Centre for Renewable Energy Sources and Saving (CRES), “<b>Biomass exploitation with a special focus and applied technologies</b>”</li> <li>◆ <b>Dr. Konstantinos Karytsas</b>, RES Department, CRES, “<b>Geothermal energy technologies</b>”</li> </ul>

- ◆ **Ms.Eva Athanasakou**, Director, Euditi Energy & Environmental Design Ltd, **“Energy efficiency in buildings”**
- ◆ **Dr. Ioannis Pappas**, Hellenic Passive House Institute, Secretary, **“Solar passive heating technologies”**
- ◆ **Mr. George Georgalis**, Cable Engineering and Marketing Manager, **“Electricity transmission and applied technologies by Hellenic Cables S.A.”**
- ◆ **Prof. Nikolaos Pasadakis**, Manager, MSc in Petroleum Engineering Program, Technical University of Crete, **“Overview of key technologies applied today in hydrocarbon research and development”** (tbc)
- ◆ **Mr. Vincent Reboul Salze**, Facilities Engineering Manager Energean Oil & Gas, **“Developing Israel’s Karish and Tanin gas field through FPSO”**

<b>14.00-15.00</b>	Break – Light Lunch
<b>15.00-16.30</b>	3d & 4th Sessions (parallel): ◆ Presentations of selected papers *
<b>16.30-16.45</b>	Coffee Break
<b>16.45- 18:00</b>	◆ Overview of 2nd Tech Energy Forum ◆ <b>“Can Greece Develop and Export Energy Technologies”</b> , Roundtable Discussion coordinated by Mr. Costis Stambolis, Executive Director, IENE

*\*Note: Papers were selected through a Call for Papers and an assessment process by the Scientific Committee of the 2nd Tech Energy Forum. The detailed programme of the presentations of the selected papers will be announced by November 17, 2017.*
